**BEST NATIONAL
CASK ALE BREWER**

We've been running pubs and brewing beer in one form or another for over 100 years and we're rightly proud of our heritage. Today we work harder than ever, making sure that everything we do, from the beers we brew, to the pubs they are enjoyed in, and the people that craft, deliver and serve them, are always the best that they can possibly be. And that's what sets us apart, providing you the best customer service, flexibility, and product range.

Proactive business and accountancy services including:
Taxation, bookkeeping and business support.
Specialists in business starts.

"Smart Accountants have always been there when I've needed them. Rick Smart always gives good and sound advice across the board. He thinks about things from a different angle and simplifies what appear to be complicated issues. It's a unique style; different to anyone else you'll meet. There are few people I would trust implicitly, but Rick is one of those people, thoroughly professional."
